

Mathematics

We will begin with looking at numbers to 20, followed by understanding place value using a variety of apparatus. We will be partitioning numbers to 100 and estimating where numbers are placed on a number-line. We will move on to addition and subtraction before finishing with shape.

We will also be carrying on with our daily Mastering Number sessions where the children will practise their skills of number and patterns.

All of Owl Class will have login details for Maths Whizz. We will practise this in school and you will be able to access this at home.

R.E

What does it mean to belong to a faith community?

We will start off with talking about other groups we belong to.

We will also look at why Christmas is important to Christians.

Music

The children will take part in weekly Music sessions where they will get the opportunity to explore a range of musical techniques, listen and dance to music and sing songs relating to the rainforest and jungles.

PSHE and RSE

Keeping/staying safe - tying shoe laces.
Keeping/staying healthy - eating healthily and brushing teeth.

Relationships - anti-bullying and body language

Art and Design Technology

In **Art** we will be using story books illustrations as a stimulus to develop our mark making skills and explore a range of tools and experiment with making patterned surfaces.

In **DT** our focus is Textiles, and we will be designing, making and evaluating puppets.

Science

Healthy me! - Looking at what is needed to be healthy. Focusing on hand washing, brushing teeth, exercise and a varied diet

New life - During this unit, we will look at growing up, animal life cycles and the basic needs of animals.

Throughout we will design our own investigations to expand our understanding.

Our Wonderful World

Owl Class

Autumn 2025

Forest School

Owl class will be exploring the outdoors. Using natural resources to design and build. Using their imagination to role play in their natural environment.

What is needed in school?

Reading Records and Reading Books in school every day
Water bottles for the classroom with a clear name label
Swimming kit or Forest School clothes on Wednesday (alternate weeks).

What can we do at home?

Daily reading, phonics and tricky words revision. Please ensure your child's Reading Record is signed.
Help with counting in 2s, 5s and 10s.
Maths Whizz

English

In writing we are going to be looking at a range of character descriptions and building up a bank of adjectives that we like. Lots of role play will take place to get an idea of who the character is. We will then write our own character descriptions.

We will also be learning about Poetry - looking at a range of poems about 'Our Wonderful World' and discussing the language/imagery/pattern/rhyme. We will use this to create our own poems based on the theme.

In reading we are focusing on Revolting Rhymes (Poetry) and The Julian Stories (Diverse) to develop our reading skills and continue to promote a love of reading and books. We continue to have daily ERIC sessions as well as individual reading.

Geography

Why is my world wonderful? Looking at simple world maps and discussing the features - continents, oceans, mountains and rivers.

History

Why are some places special? We will be looking at significant places in our own locality and thinking about their historical significance.

Computing

Computing systems and networks – IT around us
Creating media – Digital photography.

P.E.

Gymnastics

The children will be taking part in weekly PE sessions on discovering what shapes they can make with their bodies, travel in a variety of ways, speeds and directions and to use and travel on apparatus safely.

Swimming — every other week.
